

SCRATCH THE SURFACE

SCRATCH THE SURFACE

Vikings, 200 million year old fossils, Romantic Poets, legends of pirates, a Saxon Royal Mint, sea shanties and Isambard Kingdom Brunel; there's so much more to Watchet than meets the eye. Take time to scratch the surface and you'll find Watchet's hidden treasures.

Spend the day fossil hunting on the wild Jurassic coastline, take a steam train ride, watch the boats in the marina, listen to fiddle players in the local pubs, relax in the cafes, visit the museums, eat fish and chips on the harbour wall, wander along the ancient Mineral Line, cloud-gaze in the pavilion at Splash Point or just sit and enjoy the stunning views.
