

MARKET DAYS

There has been a market in Watchet since the 13th century and this tradition continues today with the lively and colourful Watchet Summer Market. Today's market is situated on The Esplanade in brightly coloured gazebos and offers local crafts and produce, plants, books and a variety of gifts and clothes. There are also tea & coffee vendors and street food traders for you to enjoy alfresco eating overlooking the harbour and marina. The market stalls are open from 9:30am to 3.30pm, every Wednesday from April until September.

STREET FAIRS

Street Fairs are held on the Esplanade on the first Sunday of the month from April to October. As well as a huge range of market stalls, there is usually live music, activities and entertainment for children and a selection of street food stalls.

Visit watchettowncouncil.org for more information about stall holders.

WELCOME TO WATCHET

Watchet's thriving community is host to a wide variety of shops open all year round, from traditional family run businesses to contemporary art galleries and everything in between... You can find it all here in Watchet. Visit our town centre and enjoy a mooch around our wonderful selection of independent shops & businesses.

While enjoying our lovely historic town you might like to take a step back in time and visit our three individual museums. Watch the boats bobbing on the water in our marina, take a trip on the steam train or even visit our local zoo... or just enjoy the relaxed, slower pace of life and incredible views that Watchet has to offer. Why not try our QR trail and discover our historic buildings?

The town retains many links to its maritime past, which are visible for those with a keen eye, including the bronze statue of Yankee Jack, Coleridge's 'Ancient Mariner' and the 'Standing Stones' of sculptor David Milton.

If you fancy more than just a day trip to Watchet (you might well need more than a day to do everything we have on offer), we have a fantastic selection of accommodation to choose from, whether it be a cosy coastal cottage, glamorous b&b or a luxury holiday home, visit our website for more details.
